PROFILE

I am a motivated and dedicated freshman at AUPP, majoring in Software Development. With a strong passion for communication, education, and personal growth, I bring experience as an English interpreter, public speaking mentor, and teacher's assistant. I am fluent in English and possess excellent teaching skill. Known for being adaptable, and eager to learn, I enjoy working with students and supporting their academic progress. I am confident in my ability to manage responsibilities, work independently, and contribute positively to any educational environment.
